CHORDS

"Turn The Page"

Bob Seger and The Silver Bullet Band

[Verse 1]

Em
On a long and lonesome highway, east of Omaha
D
You can listen to the engine moanin' out it's one note song
A **Em**
You can think about the woman, or the girl you knew the night before
Em
But your thoughts will soon be wandering the way they always do
D
When you're riding sixteen hours and there's nothing much to do
A **Em**
And you don't feel much like riding, you just wish the trip was through
Mmmm

[Chorus]

Em **D** **Em**
Say, here I am, on the road again
D **Em**
There I am, up on the stage
D **A**
Here I go, playing star again
C **D** **Em**
There I go, turn the page, ah

[Verse 2]

Em
Well, you walk into a restaurant, strung out from the road
D
And you feel the eyes upon you as you're shaking off the cold
A **Em**
You pretend it doesn't bother you but you just want to explode
Em
Most times you can't hear 'em talk, other times you can

D
All the same old clichés: "Is that a woman or a man?"
A **Em**
And you always seem outnumbered, you don't dare make a stand

[Chorus]

Em **D** **Em**
Here I am, on the road again
D **Em**
There I am, up on the stage
D **A**
Here I go, playing star again
C **D** **Em**
There I go, turn the page, ah

[Bridge]

Em
Out there in the spotlight you're a million miles away
D
Every ounce of energy you try to give away
A **Em**
As the sweat pours out your body like the music that you play

[Verse 3]

(slightly muted chords, strum once for the quiet part)

Em
Later in the evening as you lie awake in bed
D
With the echoes from the amplifiers ringin' in your head
A **Em**
You smoke the day's last cigarette, remembering what she said

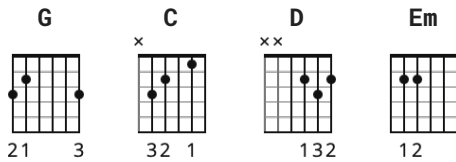

[Chorus]

Em **D** **Em**
Ah, here I am, on the road again
D **Em**
There I am, up on the stage
D **A**
Here I go, playing star again
C **D** **Em**
There I go, turn the page

Em **D** **Em**
Ah, here I am, on the road again
D **Em**
There I am, up on the stage
D **A**
Here I go, playing star again

There were voices down the

Welcome to the Hotel California.

[Verse 1]

Am G F Am
I'm an ordinary man, nothing special, nothing grand
F G Am
I've had to work for everything I own
Am G F Am
I never asked for a lot, I was happy with what I got
F G Am
Enough to keep my family and my home

F G C Am
Now they say that times are hard and they've handed me my cards
F E
They say there's not the work to go around
Am G F Am
And when the whistle blows, the gates will finally close
F G Am
Tonight they're going to shut this factory down
F G Am
And they'll tear it d-o-w-n

INSTRUMENTAL: **F G Am (2x)**

[Verse 2]

Am G F Am
I never missed a day, nor went on strike for better pay
F G Am
For 20 years I served them best I could
Am G F Am
Now with a handshake and a cheque it seems so easy to forget
F G Am
Loyalty through the bad times and through good

F G C Am
 The owner says he's sad to see that things have got so bad
 F E
 But the captains of industry won't let him lose
 Am G F Am
 He still drives a car and smokes his cigar
 F G Am F G Am
 And still takes his family on a cruise, he'll never lose

SOLO: F G Am (4x)

[Verse 3]

Am G F Am
 Now it seems to me such a cruel irony
 F G Am
 He's richer now than ever he was before
 Am G F Am
 Now my check is spent and I cant afford the rent
 F G Am
 There's one law for the rich, one for the poor
 F G C G/B Am
 Every day I've tried to salvage some of my pride
 F E
 To find some work so's I might pay my way
 Am G F Am
 Oh but everywhere I go, the answers always no
 F G Am
 There's no work for anyone here today
 F G Am
 No work t-o-d-a-y

 And so condemned I stand, just an ordinary man
 F G Am
 Like thousands beside me in the queue

 I watch my darling wife trying to make the best of life
 F G Am
 And God knows what the kids are going to do
 F G C G/B Am
 Now that we are faced with this human waste

 A generation cast aside

 As long as I live, I never will forgive,
